Parent / Guardian Permission Form

Lexington City Schools would like to use pictures, video, audio, and internet web pages to utilize technology in the classroom. A video or a picture of a student, may be used while he/she is engaged in a school related activity. This photograph or video could then be placed on our internet website. A photograph or a video could be used by posting these items in the classroom or our website. Some examples of this would be but not limited to; displaying artwork, class projects, field trips, academic lessons, book reports, and presentations.

If you do **NOT** want to allow your child's skills to be represented in this manner, please sign and date this form in the space provided below. Please return the form to your child's teacher by _____.

Thank you for your cooperation.

I do **NOT** give my permission and informed consent for _____'s skills and accomplishments to be documented as described above.

Parent / Guardian Signature
